Vacancy for Remote Sales and Marketing Officer (Cryptocurrency Product)

Position Title: Sales and Marketing Officer

Department: Sales and Marketing

• Reports To: Sales and Marketing Manager

Location: Nigeria / RemoteEmployment Type: Full-Time

Job Summary

We are looking for a dynamic and results-oriented **Sales and Marketing Officer** to join our growing cryptocurrency platform. The ideal candidate will be responsible for driving sales, acquiring clients, and executing strategic marketing initiatives to promote our platform and services. This role demands a strong understanding of the cryptocurrency industry, exceptional communication skills, and a passion for digital finance innovation.

Key Responsibilities

Sales Responsibilities

Client Acquisition — Identify, prospect, and onboard new clients, including individual investors, institutional clients, and businesses, to expand the platform's user base.

Sales Strategy Development — Implement effective sales strategies to achieve and exceed revenue targets.

Relationship Management — Build and maintain strong relationships with clients, providing top-tier customer support and ensuring user satisfaction.

Product Expertise — Stay up to date with cryptocurrency trends, blockchain technology, and the platform's features to effectively communicate value propositions.

Sales Reporting & Analysis — Track sales performance, generate reports, and provide actionable insights for strategy improvement.

Marketing Responsibilities

Campaign Execution — Plan and execute multi-channel marketing campaigns (social media, email marketing, SEO, and paid advertising) to boost brand awareness and user engagement.

Content Development — Work with the content team to create compelling marketing materials, including blog posts, newsletters, and social media updates.

Community Engagement — Actively engage with cryptocurrency communities across forums, social media, and events to strengthen brand visibility and trust.

Strategic Partnerships — Identify and collaborate with industry influencers, thought leaders, and stakeholders to enhance brand reach.

Data-Driven Marketing — Monitor campaign performance using analytics tools, optimize strategies based on insights, and maximize ROI.

Qualifications & Requirements

Education & Experience

- Bachelor's degree in Marketing, Business, Finance, or a related field.
- 2-3 years of experience in sales and marketing, preferably within the cryptocurrency, fintech, or financial services industry.
- Proven track record of achieving or surpassing sales targets.

Core Skills

- Strong knowledge of cryptocurrency, blockchain technology, and digital assets.
- Excellent communication, negotiation, and interpersonal

skills

- Proficiency in digital marketing tools (Google Analytics, CRM software, social media platforms, etc.).
- Ability to work independently and collaboratively in a fast-paced environment.

Key Attributes

- Self-motivated, proactive, and goal-driven.
- Passionate about cryptocurrency and blockchain innovation.
- Strong analytical and problem-solving skills.

Preferred Qualifications

- Experience with affiliate marketing or referral programs.
- Familiarity with regulatory frameworks in the cryptocurrency industry.
- Knowledge of SEO, SEM, and content marketing strategies.

What We Offer

- Competitive salary with performance-based incentives.
- Career growth opportunities in the rapidly evolving cryptocurrency sector.
- Flexible work arrangements (remote work options available).
- A collaborative and innovative work environment.
- Access to cutting-edge tools and resources.

How to Apply
